Product Description

Maximize your gameplay with the 25 inch XG2536 esports monitor. With a 24.5 inch screen size, this monitor will keep all the action within your peripheral vision while providing a lightning fast 280Hz refresh rate (OC) and 0.5ms response time. Get closer to the action with a specially designed narrow footprint stand, allowing you to put your mouse and keyboard closer to the monitor for a more comfortable gaming experience. Equipped with AMD FreeSync™ Premium technology, this monitor virtually eliminates screen tearing and stuttering for fluid gameplay during fast-paced action scenes. With the option of DisplayPort, HDMI, or USB-C with 65w power delivery, this monitor can connect to any of the newest gaming devices while keeping your laptop, phone, or controller charged.
